Permit No. Cordova 82-1923,
Hardy Hofstad,
Zone 3, Kodiak-Afognak District,
(Except Ugashik, Viekoda and Terror Bays,)
(and within the Afognak Reservation.)

April 24, 1923.

A reservation designated as the Southwestern Alaska Fisheries Reservation having been created by the Executive Order of November 3, 1922, Hardy Hofstad, whose temporary post office address is Ouzinkie, Alaska, is hereby authorized to engage in commercial fishing for salmon, herring, and codfish, within Zone 3, of the Kodiak-Afognak District of the said reservation, during the calendar year 1923, under the following conditions:

1. That the permittee may operate four (4) 50-fathom salmon gill nets and one (1) 150-fathom salmon beach seine in any of the waters of Zone 3, (except Ugashik, Viekoda, and Terror Bays, and within the Afognak Reservation.) Fresh salmon may be sold to any company or individual authorized to operate within Zone 3 of the said reservation.

2. That the permittee may fish for herring and codfish on a small scale for market, in all legal ways, anywhere within Zone 3, of the Kodiak-Afognak District, except the bays and harbors of the Afognak Forest and Fish Culture Reserve, where herring purse seines, as well as other kinds of fishing gear are not permitted, unless said fishing gear is manned or operated by natives, or other residents, who are bona fide inhabitants in the Afognak reservation. Purse seines used in the taking of herring shall not be employed for the taking of salmon within the reservation.

3. That the permittee shall observe the existing laws and regulations for the protection of the fisheries of Alaska and for the administration of the said reservation, (copies of which are attached hereto and the conditions of which are made a part of this permit), as well as those that may hereafter be enacted or promulgated for such purposes.

4. That this permit expires December 31, 1923, is not transferable and is revocable at any time at the pleasure of the Secretary of Commerce.
